

WILLIMANTIC

PHYSICAL EXAMINATIONS

To Begin Monday For Men With Numbers From 1 to 513.

Physical examinations of the first of the men in the Seventeenth district of the Connecticut draft will begin next week; men with numbers 1 to 513, will be called.

Those living in the vicinity of Plainfield will be examined at Chairman Davidson's office in Plainfield, on Monday, between the hours of 11 and 2. Dr. Simonds of the board will do the examining.

The local examinations will be held at the Town hall, Tuesday, and Dr. Simonds and Guild will be the examiners.

Only Class 1A men will be called next week, and not all of them. Even those who were examined previously and rejected will be re-examined, and will probably go into class 5G.

MOON FOR LIGHT

And Snow on Ground Will Help Some Mayor Orders Saving of Electricity.

No more street lights in this city after 11 o'clock when the moon is shining. Mayor Gates gave Chief Killorey this order, Tuesday afternoon, in order to save fuel.

There are many moonlight nights when the electric lights are not needed, so the order started in effect Tuesday evening and will be kept in effect as long as there is snow on the ground.

Power From Ware Weak.

The electricity used in this city is generated in Ware, Mass., and the cold weather has frozen the streams which feed the reservoir, so the supply of wa-

ter power is running short.

Should there be need of the lights, as on the occasion of a fire, shooting, or a wave of crime, the lights will be turned on. Willimantic will present a dark appearance, evenings, after this, as no more store windows will be lighted up except Saturday evening, so citizens must plan to get home before 11 o'clock, or carry a lantern.

CANCELS ICE CONTRACT

Diodre Delude Had Trouble With Faulty Municipal Harvesting Equipment.

The contract with Diodre Delude and the city of Willimantic regarding the harvesting and sale of the ice crop at the pumping station and the use of the municipal houses has been cancelled.

Mr. Delude has been troubled with the harvesting apparatus, as it would get out of order several times a day, causing his men to remain idle and delaying harvesting, so that practically only one household has been stored.

Mr. Delude presented his bill for the harvesting which he has done, and agreed to take a household of last year's ice as pay. A company dealing in ice harvesting machinery was told to come to this city and repair the machinery and the harvesting will then be resumed, under the direction of Nelson Adams.

Taking Aliens' Photos.

The local photographers are busy making photographs for the German aliens who must give four unmounted photographs of themselves when they register next week.

PHYSICAL DIRECTOR ENGAGED FOR LOCAL Y. M. C. A.

Arthur A. Martin of Jersey City Will Take Up His Duties Here on February 1st.

Arthur A. Martin, an expert gymnast has been engaged by the local Y. M. C. A. as physical director and will take up his duties February 1st.

There has been no physical director at the local society who spent all of his time in the work since the resignation of H. E. Brown who took up war work and later enlisted in the aviation corps. Mr. Martin has been actively engaged in this line spending four years in Hartford and some time in Jersey City where he now is employed. In addition to the duties of physical director he is well qualified for work in the different social branches and will be closely associated with the general secretary. The office of physical director in the local society has been unfilled since last spring on account of the inactivity of a trained and efficient man because of war conditions and the board believes that they have added a strong man to their efficient force.

Mr. Martin will move his family and personal property to this city during the latter part of this week and will commence his new duties the first of the month.

Resignation Accepted.

The resignation of Rev. Vernon W. Cooke, pastor of the Willimantic Congregational church was accepted at a meeting of the Ecclesiastical Society Monday evening.

Furnishes Bond to Support Child. Eddy Gadarowski pleaded not guilty of non-support of a minor child, before Judge Fosb in the police court on Tuesday. Andrew Gogowski said that the defendant had the child at his home and contributed towards its support for awhile, then disappeared.

Gadarowski said that he wanted to hunt up his wife's relatives, and found them and that they were willing to take care of the child. Later he was taken sick, but he will pay for all of the child's expenses.

He was told to furnish a bond of \$300 that he would support the child, which he did.

OBITUARY

Louis Gladue The death of Louis Gladue, 62, occurred at his home at 919 Main street, Monday afternoon from paralysis. He had been ill only three days.

He was born in Canada and had lived in Willimantic for about twenty-five years. He is survived by his wife, son, Victor, and three daughters, Mrs. Odele Dammers of Taftville, Mrs. Allard of St. Albans, and Mrs. Parent of Taftville, and three brothers, Baptiste of Taftville, Alexander of Canada, and Joseph of New Bedford.

FUNERAL

Mrs. Elizabeth Fuller. The funeral of Mrs. Elizabeth Fuller was held at the Congregational church in Scotland, Tuesday afternoon at 2 o'clock. Rev. Martin Lovings officiated. Burial was in the new cemetery in Scotland. Arrangements were in charge of Funeral Director J. M. Shepard.

JEWETT CITY

Competition Among School Pupils for Perfect Attendance. Norwich Epworth League. Members. Guests of Local League. Methodist Church Celebrates Its Forty-second Anniversary.

The following scheme is being used to attain a good attendance of all the children in all the grades of the Riverside grammar school: The grade on each floor that has the best attendance per cent. for each month (minus 1-2 per cent. for each tardy mark) is given the privilege of dismissing one-half hour earlier than usual on the following Friday afternoon. For the month of January—school month of three weeks—Miss Bitgood's room has the best per cent., while on the second floor Miss Alice Brown's room won this privilege.

ANNIVERSARY CELEBRATION. Members of Norwich Epworth League Visit Local Society.

The Epworth league at the Methodist church celebrated its 22d anniversary Monday evening. In addition to the resident members, 35 from Norwich came up, with Rev. J. H. Newland. There was an entertaining program during which Miss Marian Anthony sang I Love You Truly, Harry Jones sang The Rosary, Frank Mell read Sally Ann's Experience, also giving an encore, and William Robertson, Jr., sang Some Day Games were played and refreshments served. It was a delightful celebration and was arranged by the society committee, of which Frank Mell is chairman.

Aid Society's Meeting. The Ladies' Aid society of the Baptist church meets at Mrs. John Perkins home Thursday afternoon.

Arrangements have been made so that when there is to be a school on account of a storm the bell will be rung at 8 o'clock in the morning or at a quarter of 12, if there is to be no afternoon session.

King's Daughters' Election. The officers elected to serve Whatsoever circle of the King's Daughters are: Leader, Mrs. G. H. Prior; vice leader, Miss Alice A. Brown; secretary, Mrs. C. F. Gardner; treasurer, Mrs. A. M. Clarke.

Misses Marian Anthony and Sadie Thompson were in Worcester Tuesday evening, where they heard Alma Gluck sing.

FORTY-SECOND ANNIVERSARY. Commemorated Monday Evening by Methodist Church—History of the Local Society.

At the celebration of its 42d anniversary Sunday evening the Methodist church roll was called by the pastor, Rev. J. B. Aldrich. Forty-seven resident members responded. Rev. J. W. Payne was present. He has been acquainted with many of the pastors and spoke in an interesting reminiscence manner. Mrs. Sarah Tracy then delighted the audience with a poem written in her able style. There were pleasing selections by a quartette consisting of Mrs. Tracy, Mrs. Tinker, Irving Thornton and John Davis. The most interesting part of the evening's entertainment was a historical sketch of the church.

Church Organization. Prior to 1874 there had been no regular preaching nor Methodist church organization in Jewett City. There was a Methodist church at Hopewille of which Rev. James Tregaskis was pastor. It was thought best, as there were a few Methodists in Jewett City, to unite with Hopewille. At the annual conference held in North Bridge, water March 25, 1874, Mr. Tregaskis was appointed pastor of those two churches. He found out seven members living in Jewett City, but found quite a number who were in sympathy with the doctrine of the church. With that zeal which is characteristic of true Methodism, he secured the only available place, Liberty hall, and held his first preaching, service Sunday evening, April 12, 1874.

First Sunday School. A Sunday school was organized May 3, 1874. Revival services were commenced Sept. 15, 1874. Scores of souls were saved under the preaching of Mr. Tregaskis at this time.

The church was organized Jan. 26, 1875, and trustees and stewards were elected by the quarterly conference at Hopewille. In compliance with the request of the people, Jewett City was made a separate charge April 14, 1875, and Rev. James Tregaskis was appointed the first pastor.

Steps were immediately taken to secure a house to worship in. Success crowned the effort. In September, 1875, the foundation of the house was laid.

Dedicated in 1876. Jan. 27, 1876 the church was dedicated. Rev. J. H. James preaching the dedicatory sermon.

In 1890, during the pastorate of Rev. Ambrose Field, a very pleasant and comfortable parsonage was built on Mechanic street.

During the pastorate of Rev. M. T. Bralley the church realized a high degree of prosperity. In 1901 the church was raised a few feet and a large vestry and kitchen were built.

A former pastor put himself on record by once making the following statement, how very true it was and is today, no Methodist need be told. He said: "One of the special agents of God in the work of the church is the Rev. E. M. Anthony. To his efforts many of the improvements are largely due; from him has come much of the encouragement that has given heart to the pastor."

Pastors Since Church's Founding. The pastors of the church since its founding have been James Tregaskis, D. J. Griffin, G. W. Browner, Samuel McKeeown, Charles H. Dalrymple, D. S. Brown, Walter P. Buck, John Thompson, Ambrose Field—1890, R. H. Eldridge, Ambrose Field—1892, Joseph Jackson, M. T. Bralley, Herbert E. Murkett, C. H. Van Natter, Edward Corey, Nathaniel Cook, George D. Stanley, Samuel Thatcher and the present minister, Rev. J. B. Aldrich.

William J. Robertson, Jr., is the superintendent of the Sunday school. There are two auxiliary societies—the Ladies' Aid; President, Mrs. E. B. Cheney; vice president, Mrs. W. C. Jeffers; secretary and treasurer, Miss Alice Young; solicitor, Mrs. Jeffers; and the Epworth league; President, Miss Mary Tinker; vice presidents—first, Miss Maud Barrett, second, Miss Bessie McClaggan; third, Miss Alice Young; fourth, Frank Mell; secretary, Mrs. J. B. Aldrich; treasurer, Miss Martha Davis; superintendent of Junior league, Mrs. A. C. Burdick.

SOUTH COVENTRY. Public Meeting Held to Boost Sale of Thrift Stamps and War Savings Certificates.

The campaign for the sale of thrift stamps and war savings certificates was inaugurated here Friday evening when manufacturers, merchants and practically everyone in the town so situated as to come into frequent contact with the public, were summoned to a meeting held in the assembly hall of the Booth-Dimock Memorial Library, under the auspices of the town committee of the state council of defense. Dr. W. L. Higgins, chairman

of the local committee, was chairman of the meeting. Rev. John A. Dooley, pastor of St. Mary's church, was present and explained regarding the sale and nature of the stamps and certificates. In answer to questions from the chairman, those present expressed their willingness to assist in the sale of the stamps, it is planned to have them for sale in every place of business in town, in all the mills, the public library and the schools.

BALTIC. Good Patronage for St. Jean Society's Carnival—Three Registrants in Tuesday's List Accounted For—Wood Being Burned at Academy of the Holy Family.

Misses Alice Kentmeyer and Grace Kearns of Willimantic spent Tuesday with Miss Veronica Rocheleau.

Crowd at Carnival. The carnival being conducted by the members of St. Jean's society was largely attended Saturday evening, when a special program was carried out. Master Edgar Caron of Norwich, accompanied by Miss Caron and Miss Pratt of Norwich, gave a pleasing vocal solo. The hall was crowded and the entertainers were repeatedly enco-

ured to repeat their songs. From Norwich, Willimantic, Jewett City, Taftville, Fort Terry and Fort Wright, Paul's orchestra furnished music for dancing. Soloists, J. L. Tinkham prompted for the square sets.

At Jewett City Installation. Pierre Despres, Mrs. George Lacroix, Mrs. Arthur P. Cote, Mrs. Alexander Dupont, Miss Emma Dubois and the Misses Riel represented the local French societies at the joint installation of officers of L. U. S. J. B. d'A. in Jewett City Sunday. The trip was made in Mr. Despres' automobile.

Three Registrants Accounted For. The names of William H. Johnson, Otto Pickett and Henry O'Leary appeared in Tuesday's Bulletin as registrants of Sprague who had failed to answer their questionnaires. Mr. Johnson formerly conducted a restaurant in Baltic but left a number of months ago to work in Willimantic. Mr. Pickett was in the employ of George Drecher when he registered; he left town for Waterbury. Henry O'Leary was employed by the Shore Line company on registration day. Upon leaving this company he stated that he was going to New York to live.

Recovering from Blood Poisoning. John O'Leary, who has been suffering with blood poisoning in his hand, caused by a back injury, is daily improving at his home on High street, Dr. Shahan of Norwich considering his condition very favorable.

Irregular Service Appreciated. Even regular service on the Shore Line road is bringing Baltic people to realize that this service is better than no service at all. People employed at points south of the town have been compelled to wait an extra hour each evening in order to reach their destination. People working in the factories here have to wait until 7 o'clock for a southbound car. Previous to the coal shortage the 6:03 southbound car would take on passengers at Mill street, making a convenient trip for the employees. However, the situation has not affected Baltic people who travel to business in Norwich, as early morning cars leave town on a schedule that warrants their arriving in the city in time to begin the day's business.

Cars containing coal for the Shore Line road are daily travelling south. While these cars are not heavily loaded, it gives Baltic people confidence that the situation is being relieved. Some extent, and as soon as circumstances permit the cars will be back on regular schedule.

Academy Burning Wood. One of the largest institutions in town, the Academy of the Holy Family, is daily burning wood in order to conserve coal. While the supply is not exhausted, the being used until a new coal consignment arrives and orders are filled.

Judging from the number of loads of cordwood passing through Baltic, each day, some local people have headed the circular headed Cut a Cord sent out by Fuel Administrator Thomas W. Russell.

Privately. Mrs. E. E. Cote is visiting friends in Pawtucket, R. I.

Henry Despathy, who has been confined to his home by illness, is able to be out.

Mr. and Mrs. Daniel J. Sullivan

Your Money Back if it Fails
This extraordinary remedy
for skin affections we fully
and confidently guarantee.

Saxol Salve

If one tube does not remove your Skin Trouble we will give back your money. We take all the chances—you get all the benefit. Try it anyway.

Broadway Pharmacy, G. G. Engler, Prop., Norwich, Saxol Salve is sold in Willimantic by the Wilson Drug Co., and in Putnam by J. F. Donahue.

have moved their household effects to their newly erected cottage at Whalem park. Mr. and Mrs. Sullivan will not reside in their new home until spring.

Miss Florence Brown is visiting New Britain friends.

Zoele Gaucher recently entertained an uncle from Los Angeles whom he had not seen in a number of years.

BROOKLYN. Women's Club Studying South America This Season—Robin Appears in Zero Weather.

Mrs. George W. Clark, wife of the former pastor of the Congregational church here, has been visiting friends in the place for a few days.

Arthur Bullard of Providence spent the week-end and Sunday with his mother, Mrs. Edwin Burnett.

The Women's club met Monday afternoon, Mrs. J. Sprague Bart being the hostess. The roll call was on current events. Mrs. T. B. Payne read a very interesting paper on Educational Advantages. The theme for the year's study is South America.

Robin in Zero Weather. Thursday morning the mercury stood below zero, yet a little before noon as Rev. T. B. Payne was on his way to the post office for his mail he heard a robin and looking saw it on an apple tree in the lot at the Congregational parsonage. This surely is a reminder that spring is on the way. Cheer up!

Installation Postponed. The officers of Brooklyn grange were not installed as the installing officer was unable to be present. The installation will be held the first meeting in February.

SOUTH KILLINGLY. Meeting of Willing Workers—Corporal W. H. Barlow Writes From France.

There was a small attendance at the meeting of the Willing Workers Wednesday afternoon, owing to the bad weather. Some Red Cross work is being done by the members.

Mrs. P. H. Coffey and Mrs. G. E. Hall were entertained at The Ledges Monday.

A. E. Hall has finished sawing on the Knox farm and has moved his plant to the Gallup lot in Ekono.

Mrs. Amos Martin was in Danielson Thursday.

Mr. and Mrs. Byron Place and son spent Sunday with Mrs. Place's parents.

Mrs. Edmund Goodness entertained Miss Hartig at dinner Sunday.

Friends of Corporal W. H. Barlow, who is in France, were cheered by the good news contained in a letter received from him Thursday. Corporal Barlow also sent some gifts to relatives, among them being a very beautiful embroidered pillow top for his mother, Mrs. G. W. Barlow.

Sugar and Ships

In the interest of the public it serves, the American Sugar Refining Company is earnestly supporting the Government's policy to regulate the supply of sugar so that it shall be sufficient for the needs of all—our soldiers, our Allies and ourselves.

With the new crop of cane sugar coming in, the sugar situation is more favorable than it was a month ago. There will be sugar enough, according to present indications, if extravagant use and waste are avoided.

War has disturbed the whole world's sugar supply. It has not only wiped out any available surplus, but it has put all nations on a hand-to-mouth basis.

The European Allies were the first to feel the pinch. Before the war, enough sugar was produced on the Continent to supply all Europe. Today, two-thirds of this sugar-producing area is within the battle lines.

England, France and other nations have had to turn elsewhere for a supply of this indispensable food.

And they came to Cuba—the main source upon which the United States depends for its cane sugar. During 1917, Cuba sold and shipped to Europe nearly 1,000,000 tons of raw sugar—one-third of its crop.

In addition to the normal increase in the consumption of sugar as food in this country, the nation-wide movement to save the fruit crop last season greatly increased its use.

But this increased consumption of sugar has been a real factor in combating waste. It enabled the American housewife to add to the store of the food of the nation at a time when fruits and vegetables were plentiful and cheap.

The sugar is not only in the fruit jar, but it has carried into the pantries of the country a vast supply of fruit and vegetables which would otherwise have been lost. Sugar itself is not only a food, but it is also the great preserver of other foods.

As the demand for sugar grew, both here and abroad, Cuba's supply was exhausted last fall. Every available ton in Porto Rico and other cane sugar countries was acquired. But this was not enough, and the shortage came.

Housewives can cooperate with this plan by buying these package sugars.

In war time and at all times it is our aim to safeguard the interests of the public we serve.
